<u>@spicycarrot</u>

Hi.

started creating content that does.

<u>spicycarrot.co</u>

l'm Emma.

- I'm a UX Car Content Creator looking to produce educational content with major brands. My journey as an enthusiast started when I was six years old with a fascination for tail lights. My
- passion for cars always felt unorthodox, as it focused less on
- engineering and more on human factors.
- None of today's automotive media speaks to me in this way, so I

Credentials

Jet Propulsion Laboratory California Institute of Technology

Formula Society of Automotive Engineers

As the former Business Lead & UX Captain, I learned what it takes to design a car and a business model to match. Fast forward to now and I'm a proud board member.

NASA Jet Propulsion Laboratory

Today, my UX background focuses more on enterprise UX within aerospace but draws many parallels between industries.

Forbes

Forbes 30 Under 30

In 2021, I was added to the Enterprise Technology U30 List.

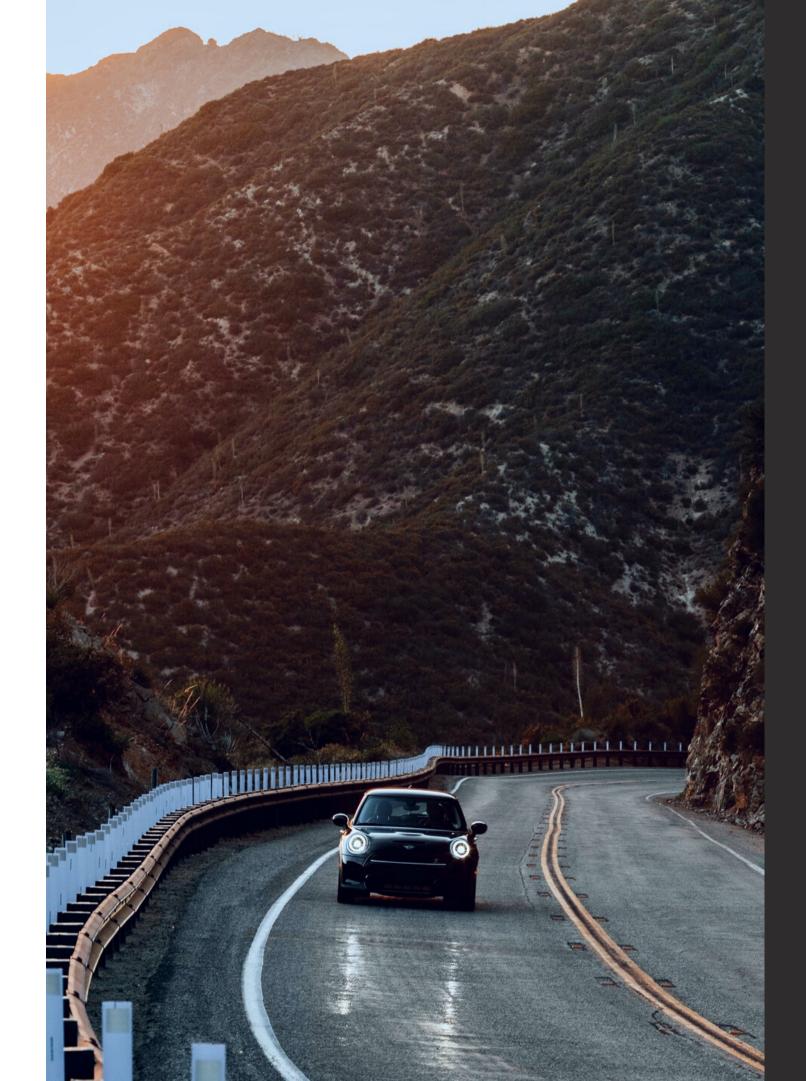

spicycarrot.co

By creating a space that is inviting and atypical, we diversify the car community into one that expands into a rich microcosm.

<u>spicycarrot.co</u>

Pretty. Smart.

Spicy Carrot aims to inspire automotive enthusiasts by creating content that emphasizes mobility and the driver-vehicle experience while maintaining a feminine aesthetic.

About Spicy Carrot

Content Pillars

Accessibility

- Explore and discuss technologies that make driving more accessible for individuals with disabilities
- Highlight cars with features designed to accommodate a wide range of physical abilities

Autonomy

- Cover developments in self-driving technology
- Cover the various levels of autonomous driving
- Share news about companies working on autonomous solutions

Day in the Life

- Behind the scenes of various automotive events
- Showcase a day in the life of a Human Centered Designer

Sustainability

- Showcase eco-friendly vehicles and technologies
- Explore initiatives and companies focused on green mobility

Brand Spotlights & Reviews

- Showcase the latest technologies from different car manufacturers
- Discuss the brand's history and their impact today on the world

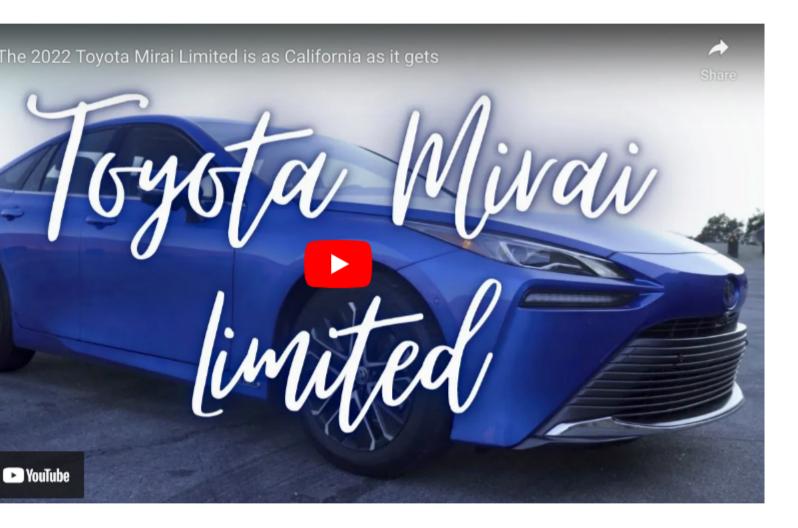

On-Camera Experience

2022 MINI Cooper S Review

2022 Toyota Mirai Limited Review
